WBEC-TV 2012 Children's Programming Statement 092612

## Children's Programming on WBEC-TV

WBEC-TV is operated as an integral part of the licensee's mandate to educate the children of Broward County. Accordingly, virtually all of the station's programming is designed to meet the educational and informational needs of children. WBEC-TV broadcasts a minimum of 37 hours of children's programming per week, the majority of which is educational in nature.

As a noncommercial educational station, WBEC-TV is not required to broadcast "core" educational programming. This is because one of the requirements of Section 73.673 for a program to be considered core programming – the requirement for it to be included in a quarterly report on FCC Form 398 – is not applicable to noncommercial educational stations.

Although WBEC-TV is exempt from the core programming and reporting requirements of the Children's Television Act, WBEC-TV remains obligated to broadcast programming that meets the educational and informational needs of children. WBEC-TV's programming does so admirably.
