## **Broward Teen News**

Description:

**Broward Teen News** offers all television production students in district middle and high schools the opportunity in a quarterly 30-minute fast-paced, teen-produced news program featuring student activities and accomplishments. The **Broward Teen News** is produced entirely by students who receive hands-on experience with the latest digital television equipment as well as showcase their talents, which include: reporting, videography, writing, and editing. The internship program is also offered through BECON.

**Sports Blitz** Description:

**Sports Blitz** is the new, sports-related edition of **Broward Teen News**. This 30-minute fastpaced show highlights the spectacular athletes and events that take place in South Florida. The show consist of a number of segments designed to both inform and entertain and is produced entirely by very enthusiastic students who receive hands-on experience with the latest digital television equipment as well as showcase their talents, which include: reporting, videography, writing, and editing.

## **Broward School Beat Internship Program**

Description:

The Broward Education Communications Network offers to interns in the field of Broadcast Journalism and Media Production the opportunity to work for our television program, **Broward School Beat**. The program is a 30-minute news magazine show that highlights the positive events and stories happening throughout the Broward County School System. **Broward School Beat** is upbeat with fast edits and plenty of music and sound bites. The internship program accepts self-motivated, creative interns preferably with some experience in on-camera field reporting, news scriptwriting, camera operation, and non-linear editing. This internship is handson with students expected to complete stories, which actually air on our show. Duties include finding stories, videotaping, scriptwriting and postproduction.

## **BECON/ McFatter Tech Partnership**

Description

The Broward Education Communications Network provides continuous training and the use of facilities in the field of Broadcast TV Production for McFatter Technical School. In a unique partnership with McFatter High School and Adult Education Center, BECON allows the TV Production classes to train on it's state of the art broadcast equipment as well as actually work with the crew during programs that are produced at BECON. This partnership provides an outlet for the broadcasting students to learn from professionals about the process of TV Production and use of the equipment.

The above described partnerships have proved to be extremely valuable for the students involved. Students receive extensive "real world" experience that proves vital when searching for employment in this competitive field.

## **IV. Recruitment Source List**

The Recruitment Source List is continually modified/ updated in order to ensure wide dissemination of information concerning our open positions. On a regular basis, each Recruitment Source is contacted to verify contact name, address, phone and fax as well as e-mail address; and, to determine the best method for notification of our open positions.
