

Mr. G's Math Marvels

Lesson: Zip Code Math (Use Handout #37)

Facilitator: Gary Walton, Mr. G.,
BECON Studio Teacher

Lesson Plan

Grade Level: 3

Sunshine State Standard: MA.A.1.2.1, MA.A.1.2.2, MA.A.3.2.1

Objective:

1. Students will be able to find digital sums.
2. Students will be able to compare numbers.
3. Students will be able to become familiar with zip codes.

Activity:

Using Handout # 37

1. Students identify the largest and smallest zip codes.
2. Students add the individual numbers of the zip codes to obtain digital sums.
3. Students compare digital sums and complete a worksheet.
4. Students write the cities that correspond with a particular zip code.

Materials Needed: Handout #37 and pencil
