

Mr. G's Math Marvels

Lesson: Addition and Subtraction Using Mental Math- use Handout #14

Facilitator: Gary Walton, Mr. G.,
BECON Studio Teacher

Lesson Plan

Grade Level: 3

Sunshine State Standard: MA.A.2.2.1

Objective:

- Students will be able to add and subtract greater whole numbers using mental math.
- Students will be able to round numbers to the nearest ten or hundred before using mental math to obtain a sum or difference.

Activity:

- Students are given Handout #14 in which they will round various numbers to the nearest ten or hundred.
- After rounding numbers to the correct place, they will use mental math to obtain the correct sum or difference.

Materials Needed: Handout #14, ruler, and pencil.
